***Improve Your Relationship***

### ***About Couples Therapy***

Our couples therapy will help provide valuable insights and relationship skills that can help improve the intimacy and friendship in your relationship. Learn how to share a deeper connection, improve healthy communication, breakthrough and resolve conflict amicably, and reignite your affection for one another.

### ***Therapists***

Allies in Change has a variety of diverse and highly experienced therapists available to help couples with a wide variety of issues.

### ***Graduate Student Counselors***

We offer low-cost couples counseling for clients seen by our practicum students. This gives students the opportunity to gain experience working with clients while being supervised by our Clinical Director.

### ***Rates***

Our standard rate is \$120 per session, however, we offer reduced sliding scale fees based on income. Contact our office for details.
